

This image is a vertical, high-contrast, black and white scan. It depicts a textured surface, likely the cover of an old book or a piece of aged paper. The texture is characterized by numerous small, dark specks and fibers, giving it a grainy appearance. A prominent, dark, irregular border runs vertically along the right side of the image, suggesting the edge of the scanned object or a shadow. The overall composition is simple and focuses on the material's texture and the stark contrast between the light surface and the dark border.
